**CORAM: S. B. MHASE &  
SMT. NISHITA MHATRE, JJ.**

**DATED: 6TH FEBRUARY, 2007.**

**P.C.:**

1. This is an application in the nature of review of the earlier order passed by this Court on 17.6.2003 wherein the delay condonation application was rejected on merits having found that no sufficient ground has been stated in the application for condonation of delay of two years and since the delay condonation application was rejected, the revision application was also disposed of. By this review application, an attempt is being

made to recall the order dated 17.6.2003. However, no substantial ground has been made out for the purpose of interference and to entertain the review application. The review application is hereby rejected and apart from that, so far as the initial proceeding appeared to be a criminal revision and delay condonation application in criminal matter, there is no power to this Court to condone the delay. Therefore, the application is disposed off.
